Dear MOSES member:

Over the last several days MOSES has held Collective Bargaining committee meetings to evaluate the contract extension agreement signed by NAGE. The Commonwealth Bargaining team has agreed to talk with representatives from the Office of Employee Relations within the next several days to seek additional information. After which the committee will evaluate if the NAGE deal is something MOSES should be pursuing for its Commonwealth's membership.

The MassDOT Collective Bargaining Unit met for informational purposes only as it is MOSES understanding that MassDOT management had attended a meeting with representatives from Administration & Finance where they were informed of the (NAGE MOU) contract extension.

There is a lot of information that needs to be evaluated so I ask you all to be patient while your Collective Bargaining team does their jobs to ensure you all get the best deal possible.

The MWRA is not affected by this agreement but your Collective Bargaining team continues to work to get a new contract in place with the Authority.

Regards,
Joe
